### HELLO, GROWN-UPS

Don't be put off by the most annoying unicorn in the world, this issue has heaps of other stuff in it too! Kiddos can even make their very own Unicornse show on page 34. We'd love to see your squirts with their crafts – send piccies to:

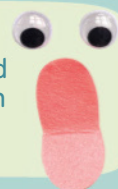

[blueymagazine@immediate.co.uk](mailto:blueymagazine@immediate.co.uk)

**1** Grab the sock, then use the sticky tabs to add his ears and arms (we added some detail with a pen).

**2** Next stick on his little beard (you might want to trim it a bit!).

**3** Peel off the backing paper and stick on his mouth and eyes.

**4** Finally, pop the horn on top of Unicornse's head.

**5** Your Unicornse is ready! Pop him on your hand. How annoying will he be? (Answer: very.)

# DESIGN YOUR OWN UNICORSE HERE...

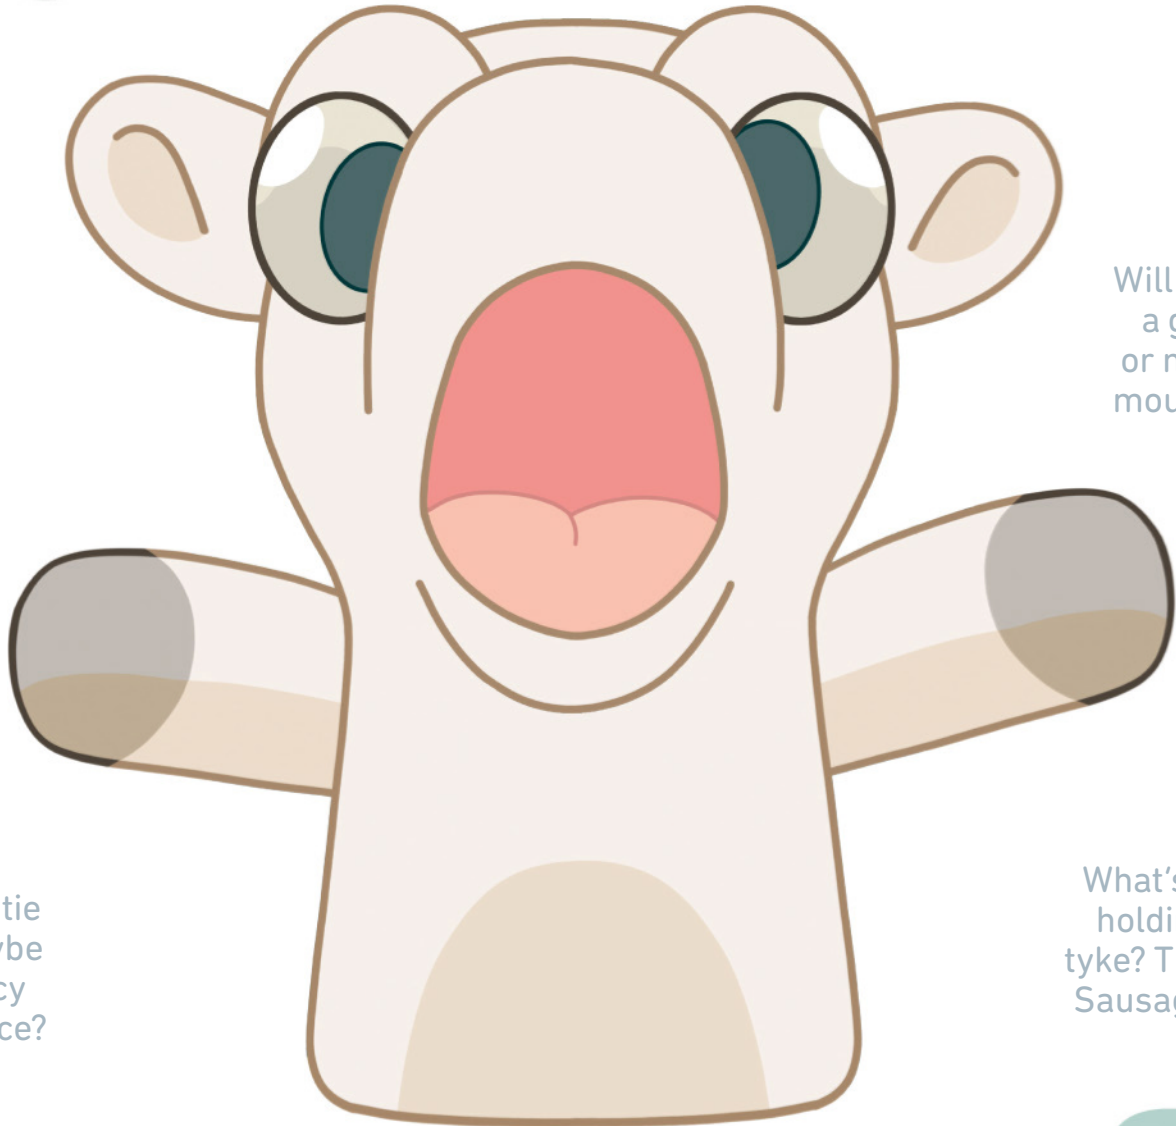

Will yours be grubby or nice and clean?

Choose some stickies to add to your piccie.

You could draw curly hair... or straight hair... or rainbow hair!

Will he have a goatee or maybe a moustache?

A bow tie or maybe a fancy necklace?

What's he holding, tyke? Ticks? Sausages?

What's the name of your new Unicorse? Scribble it here!

(It could be your **FAVE COLOUR** + **THE LAST THING YOU ATE.**)

I don't know what that says, I can't read.

## STORY

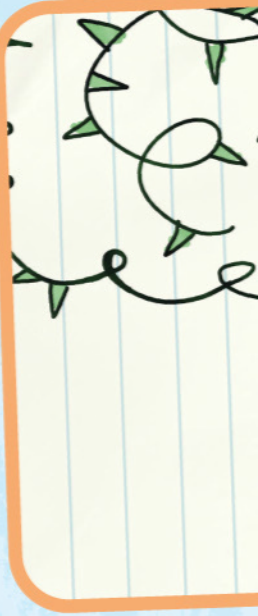

# ESCAPE

Can Mum and Dad escape from Bluey and Bingo?

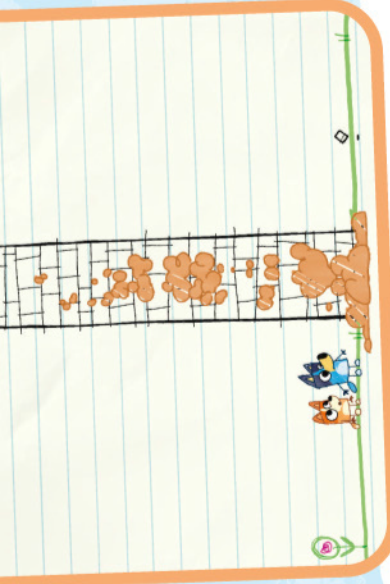

**1** Mum and Dad are dropping Bluey and Bingo off at Nana's. "Hooray, TV!" Bluey and Bingo cheer. "No TV. You've been watching it all morning," Dad tells them. "Use your imaginations. Draw some pictures." "Hang on, why aren't you coming to Nana's?" asks Bluey. Mum explains that she wants to spend some time with Dad. "WHAT? Without us? What are you gonna do?" asks Bluey.

**2** Mum and Dad start to **imagine** what their day will look like without the kids... "We're going to lie in comfy hammocks, wearing sunglasses," Mum says, **imagining** how peaceful it will be... "With NO KIDS ALLOWED!" Dad adds.

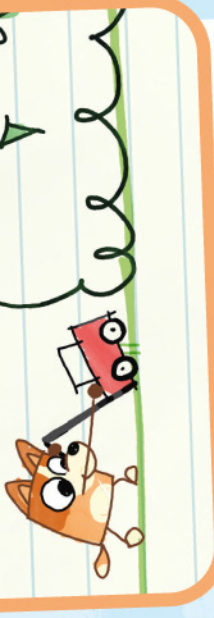

**3** "We're going to come and join in!" says Bluey as the kids try to get to Mum and Dad in the hammock, but a huge wall pops up to stop them... And it's 10-hundred metres tall!

**4** So Bluey and Bingo hire an eagle to fly them over the wall... But there's a huge prickly bush with prickles... and the kids can't pay the eagle anymore 'cos they've run out of money (and he's on the toilet)!

**5** Luckily, Bingo's brought a lawn mower to mow the prickly bush down!

**6** But Mum and Dad go down a secret tunnel to their underground base (which also has hammocks) and there's a manhole cover... but it's locked... so Bluey and Bingo can't come in.

**7** The girls get a diamond axe and cut through the manhole cover!

**8** Mum and Dad get in a cool car and speed off... So then Bluey and Bingo get in their dreamhouse car (it's a giant house on wheels with 11 burger shops, 20 bedrooms, 40 toilets, and a spa on the balcony) and chase after Mum and Dad. (Did we mention butlers are driving it?)

9 Mum and Dad drive to the airport, get into a helicopter and fly off. "See ya later!" they shout.

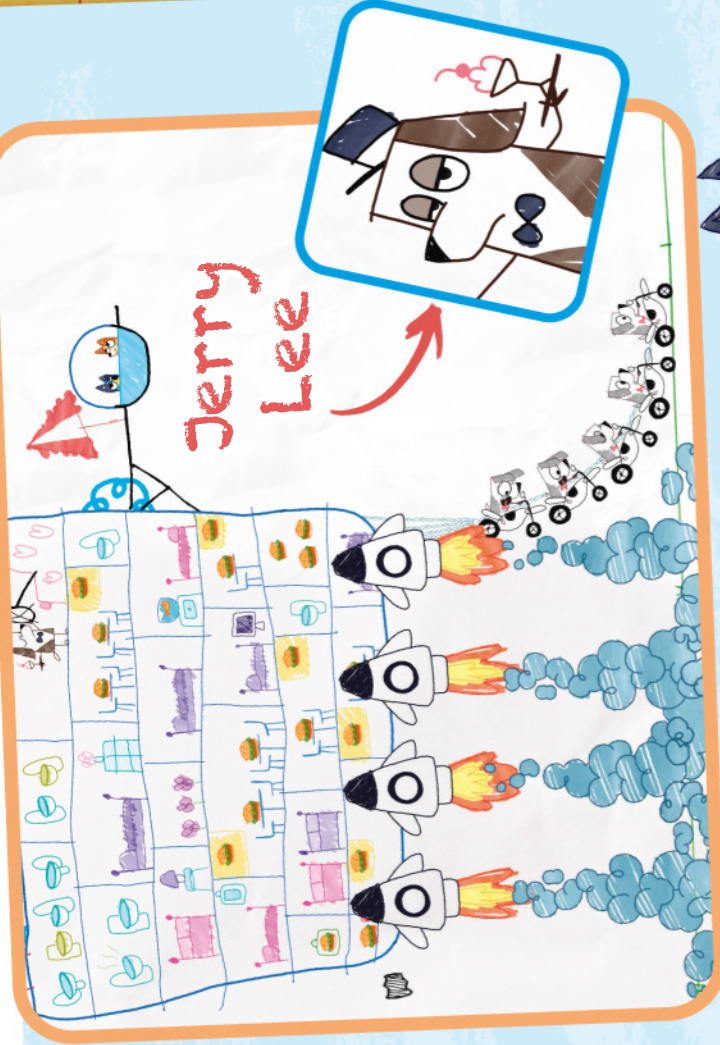

11

Mum and Dad parachute out, and the kids follow with their special parachutes which still have the spa attached... and Jerry Lee is fanning them.

10 Well... Bluey and Bingo chase after them. They push a button which turns the dreamhouse into a rocket! "Who made this thing?" Mum yells. "Jerry Lee. He's our science butler," Bluey tells her.

12

Mum and Dad leg it, so Bluey and Bingo throw cupcakes at them (which Mum eats)... But then they get to a big cliff that's a million million miles high! "We're trapped!" Dad gasps. "You've got nowhere to run," Bluey giggles.

13

"You win. You caught us," Mum sighs. "But we like it when you run away from us," Bingo says. "Don't be silly. Give us a hug," Dad leaps forward. "RUN, BINGO!" Bluey yells. Now Bluey and Bingo are running away from them! They zoom off to the place where rockets take off and fly into space... But Mum and Dad jump onto the rocket. "We just want to love you!" Dad shouts.

14

Up in space, there's no air... So Mum and Dad quickly take a big breath... But they can't hold it forever... "Bleurghhh!" they gasp as they parachute back down to Earth and the kids land on the moon. "Well done, you got away!" Mum says.

15

And suddenly they arrive at Nana's house. "Can we watch TV?" Bingo asks Nana. "No, let's draw!" Bluey says. They've got loads of ideas for things to draw now! "Oohhh! I don't know where you get your ideas from," smiles Nana...

# BROCONEE BITES

Mmm-mmm-mmm. Even salad dodgers will enjoy this cheesy broccoli snack... and only 4 ingredients!

## YOU WILL NEED:

- 1 small head of broccoli
- 1 small beaten egg
- 1 cup (60g) grated tasty cheese
- 4 tbsp plain flour
- A grown-up to help

**1** Grab the broccoli. With your grown-up, chop it into florets and steam until cooked but still firm. Leave it to cool, then chop it into very small pieces.

**2** Mix the broccoli and egg in a bowl. Add the cheese and flour and smoosh/mix it all together. You should get a chunky batter mix. Divide and squidge the mixture into 6 fritters. Add water if it needs to be more sticky!

This recipe makes 6 small fritters. Perfect for sharing!

## TOP TIP

Make a fancy dip from Greek yoghurt mixed with grated cucumber and a squeeze of lemon. Boodiful!

**3** Line an oven tray with baking paper and bake the fritters for 15 minutes at 180°C until golden brown and crisp on the bottom. Flip them over and bake for another 15 minutes until they're cooked through.... it's broconee bite time!
